

Friday 27th March

Dear Parents/Carers and Children

This has been such a difficult week for us all I do hope you are all keeping well and safe.

Firstly the good news! We heard yesterday that Mrs Neville is improving daily. Yesterday she managed to sit up and talk to her husband. Thank you so much for all your prayers and support.

I understand being stuck at home most of the day can be very stressful and worrying, not just for the children but adults too! I urge you to establish a routine and while not worrying about homework too much, please at least daily try to pray, read and do a little maths. Also do not forget the other things you can be doing; drawing, painting and cooking etc. If you have a garden there is great science and PE in digging it over. Tell the children I said they had too!

It is very important to keep active – there are many examples on line and I have posted new links and activities on the home learning page of our website;
<https://www.st-hughlincoln.trafford.sch.uk/parents/carers/home-learning>

We are here, so if you do need us, please email or call – we will get back to you within 24 hours but very possibly before.

Many thanks

Stay safe

Mark Mountcastle
