Dear Parents/Carers

### **Asthma**

As part of accepted good practice and with advice from the Department for Education and Asthma UK, our school will be continuing a School Asthma Policy and will use the 'Asthma Card' which parents/carers are required to complete. If your child has asthma please collect a card from your class teacher or the school office. If you have completed a card previously and the circumstances have not changed there is no need to complete a new one.

Children who have 'reliever' inhalers in school are permitted to keep them on their person, in their tray, bag or locker. It is expected that they are aware of the signs of needing an inhaler and can administer it themselves. Obviously younger children will be given support if required.

### **Photographs**

This Friday the photographer will be visiting school to take individual photographs. Due to the current COVID-19 procedures we will not be able to have sibling groups with pre-school age children or family groups in school.

### **PTA/Friends**

Although we are restricted in terms of family events we will be having a further Zoom meeting this Thursday at 7.30pm to discuss possible fundraising ideas. The code will be shared on the PTA/Friends Facebook page.

### **Contact Details**

If you have recently changed your contact details please inform the school office as soon as possible.

Yours sincerely

M Mountcastle
