# THE SOCCER STAR CHALLENGE

## INTRODUCTION

We are pleased to inform you that your child will be taking part in **THE SOCCER STAR CHALLENGE**. Soccer Star Coaching have teamed up with your school to organise one of our Primary School Fundraisers. The fun packed day(s) will raise much needed funds for your school. The event will be held in school and is aimed at showing children the importance of sport, at the same time as helping their school. It will be run by our ex professional, DBS checked and fully F.A. qualified coaches.

## THE EVENT

The event involves your child shooting into our inflatable speed goal, attempting to kick the ball as fast as they can. The speed goal records how fast the ball is kicked in MPH. Each child will have their fastest score recorded onto their certificate.

## SPONSORSHIP

All children have to do is secure sponsorship from parents, family and friends in the 2-3 weeks before the event takes place. **All sponsorship donations must be made through our secure website.**

You no longer need to wait and see those people who are likley to sponsor your child - they just need to visit our website at a time to suit them and sponsor your child directly. It's a safer and eaiser way for you and your child to reach your wider network of family and friends to help you raise money for your school and to win the top prizes.

Grown ups... make sure family and friends have your email address when they are sponsoring your child. This way you will get notified everytime a sponsor is made. This is the best way to keep track of how much you have raised.

## FUNDS
