

Special Task

Phonics/Literacy

There are lots of rhyming words in this story. Can you find the words that rhyme?

For example:

High and Sky

Gnash and Splash

Can you join with the rhyming words in the story?

You can hear this story and the other 'What the Ladybird Heard..' stories read on You Tube.

Can you draw or make your own Sea creature or Mermaid? You could use craft materials or even make it from sand, shells and stones or things you find in your garden.

Choose a sea creature to find out about. Have a look on the internet or in a non fiction book. Can you tell your family a fascinating fact about a sea creature you met in the story?

Maths

Can you sort the animals in the story? Which animals are small? Which animals are big? Can you order each animal from smallest to biggest? Can you sort the animals into which animals you find in the sea?, Which animals you find on land? Which animals you can find on land and in the sea?

Let's get Physical!
There are lots of Children's Seaside songs you can sing and dance to on YouTube and then you could relax and unwind while you are under the sea – visit Cosmic Kids Yoga.

Week 15 RECEPTION HOME LEARNING

Additional Home Learning Ideas for Literacy

- What was your favourite part of the story? Can you write a sentence about it? Remember to sound out each word using your robot arms. Remember a capital letter at the start and a full stop at the end. Don't forget your finger spaces! Use a sound mat to help you.

- Can you write a postcard pretending you are at the seaside?
 - Watch 'What the Ladybird Heard on Holiday' on YouTube. Talk to your family about what happened at the Beginning, the Middle and the End of this story.
- Practise your letter formation. Try to form all letters correctly using the sheet in your Home Learning Pack to help you or download sheets from <https://www.sparklebox.co.uk/literacy/writing/letter-formation/worksheets.html>

Additional Home Learning Ideas for Maths

- This week's Maths is revisiting some of what we have learnt in Reception. Please complete these activities:
 - Recognise numbers 1-20 at random (to 10 if struggling)
 - Order numbers 1-20 (to 10 if struggling)
 - Say one more or one less than a given number (use objects if needed)
 - Simple addition and Subtraction (using objects if needed)
 - Write out numbers 1-20
 - Go on a shape hunt around the house and look for 2D and 3D Shapes
- Remember the Active Learn website for Maths games which also cover all of the above.

Week 15 RECEPTION HOME LEARNING

<ul style="list-style-type: none">• Please remember for Reading books please visit oxfordowl.co.uk or Collins.co.uk	
<p>Additional Home Learning for Phonics</p>	<p>Home Learning Ideas for RE</p>
<ul style="list-style-type: none">• Please continue to work through the Phonics Play planning that we sent home with your child. Your child will now be working their way through Phase 4. If you believe your child is secure at Phase 4 please contact us for further guidance. There are lots of games and resources on the Phonicsplay website too. Phonicsplay.co.uk• Remember the DFE also have daily Phonics lessons on https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw	<ul style="list-style-type: none">• Can you make up a prayer thanking God for your family and friends. Can you thank him for the good times you have had at school and home this year? You do not need to write it down you can just say it. Maybe you could draw a picture to go with your prayer or record it on video?
