

Monday 29th January 2024

Dear Parents and Carers,

On Tuesday 6th February, we will be joining schools across the UK in celebrating Safer Internet Day. Safer Internet Day is a global campaign to promote the safe and responsible use of technology, which calls on young people, parents, carers, teachers, policy makers and more, to help create a better internet.

This year the campaign will be focusing on change online. With celebrations and learning based around the theme :

'Inspiring change? Making a difference, managing influence and navigating change online'.

Which covers :

- Young people's perspective on new and emerging technology
- Using the internet to make change for the better
- The changes young people want to see online
- The things that can influence and change the way young people think, feel and act online and offline

Using the internet safely and positively is a key message that we promote in school and celebrating Safer Internet Day is a great way to re-emphasise the online safety messages we deliver throughout the year.

We would love for you to join us in celebrating the day by continuing the conversation at home. The UK Safer Internet Centre have created some free activities and information for parents and carers which are available at :

www.saferinternet.org.uk/SID-parents.

If you have any concerns or questions about keeping your child safe online, please do get in touch with your child's class teacher/ myself or Mrs Atherton or Mr Smith.

Kind regards
Miss Moran
